

Our Class Trip to Godstone Farm

Keystage One and Two

**Our class are going to Godstone Farm. We will go on a coach.
We will park in the car park and walk down and through the gate.**

When we get to the farm we will go into a picnic barn and have a talk about how to stay safe on the farm and how to wash my hands.

**We will look around the farm.
We will see lots of animals .**

**We will have three or four talks with our Farmer.
They will show us the best way to see the farm. I need to listen to the
instructions the farmer gives to stay safe on the farm.**

In Meet the Animals we will go into the school room in animal holding and we will meet some of the animals. Our farmer will help us.

I will have gentle hands and a quiet voice. The animals are friendly. I can stroke them. If I don't want to touch the animals that is ok. If I don't like the animals I can move away.

For the Pig talk we will visit the pigs . I need to listen to the farmer so I can be safe when I feed the pigs. The Pigs can be loud. That is ok. I can ask to move away. The pigs can be smelly. That is ok. I can ask to move away from the smell.

In Pond Dipping I will be able to look at some of the creature that live in the pond. I will use tools to look at and find these. I will need to wait my turn to pond dip. I need to listen to the farmers instructions to stay safe. I will need to have gentle hands when looking at the pond creatures.

In our Minibeast Area I will explore the wood and grass for minibeasts. I will have gentle hands. I can use tools to have a closer look. If i do not want to touch things i can just use a magnifying glass or read the signs and information. If it is too busy I can move away.

On our Farm Walk I will see lots of animals around the farm. I will be able to feed some of these by dropping their food down the chutes. Some of the animals may be loud. I can step away if i need to. Some of the animals may have a strong smell. I can step away.

In our Bird talk I will learn about 3 different birds on the farm. I will listen to the farmer. I will be able to feed the ducks. If I do not want to feed the ducks I do not have to. If the ducks are too noisy I can step away.

For the Donkey talk I will go to the Donkey paddock. I will stand by the gate to listen to the farmer. I will be able to feed the donkeys. If i don not want to I can step away. The Donkeys can be noisy. I can step away. I need to have a quiet voice and gentle hands for the donkeys to come to me. If the donkeys come to the fence I can stroke them with gentle hands

For the Barn talk we will go to the main barn and feed some animals. I need to listen to the farmer so I can be safe when I feed the animals.

**Sometimes the farm might smell sweet. This is the smell of hay.
If the farmers are cleaning the barn it might smell bad.
We can ask to move away.**

In the schools garden area we will do 4 activities. I will be in a small group. We will move through these activities together. I need to listen to the farmers instructions to stay safe. I will use some tools to dig, I will look at seeds, I will investigate soil and I will look at the different parts of a plant.

In the Wool talk we will be using using tools to brush and investigate wool. I will need to listen to the farmer to stay safe. I may need to take turns to use some of the tools.

Wool can have a strong smell. I can ask to step away.

In the lambing talk we will be using using tools to brush and investigate how lambing works. I will need to listen to the farmer to stay safe. I may need to take turns to use some of the tools.

In our reptile talk we will meet animals from the reptile room. I will need to listen to the farmer. I will be allowed to stroke some of these animals. I will not be allowed to hold these.

After this we will have lunch in our picnic barn.

Then we will have free time to explore the farm.
